

Students Association

The department of electronics established electronics association "ELELSA" in the year 2017 to enrich the students in various electronics filed. This student association conducts inter-departmental activities, events, and to conduct a seminar.

We encourage the students to prove their talents in the challenges in the world of electronics. We make them equip themselves with the necessary technical skills required for making the students exemplary engineers.

The association aims in developing technically competent students in various electronics filed by organizing various activities and events that support the students to excel in their carrier.

S.No	Academic Year	Date	Seminar/Workshop	Topic	Chief Guest
1	2016-2017	06.03.2017	Seminar	Carrier with Electronics	S.Balashunmuganathan
2	2016-2017	21.03.2017	Seminar	Microprocessor and its applications	Dr.S.kalidass
3	2016-2017	25.01.2017	Seminar	Voice of Nature	Kalaimamani,Innisaivendhar R.Vasu
4	2017-2018	21.03.2018	Seminar	Transparent Electronics	Dr.M.Karunakaran
5	2019-2020	07.03.2020	Seminar	Science day Celebration	Sattur ,Lakshmanaperumal

Events

Quiz Competition
Mini Project Display
Essay Writing
Paper Presentation
Circuit Designing
Component Identification
