4.4 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

1. Providing Internet access for students weekly twice.	

4.5 Amount spent on maintenance in lakhs:

i) ICT -

ii) Campus Infrastructure and facilities 20,00,000

iii) Equipments 2,00,000

iv) Others 14,000

**Total:** 22,14,000

## Criterion - V

# 5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

IQAC supports the entire Students' activities and college development programmes.

- 5.2 Efforts made by the institution for tracking the progression
  - 1. The Placement Cell trains the students through training programme of soft skills and coaching
  - 2. Tutor-Ward system provides necessary guidance to students in the choice of their career and monitoring their academic progress.
- 3. Every tutor maintains Academic Register, attendance register, Work Diary and mark register for evaluating the performance of each student.
  - 4. Every month a periodical quiz competition on major subject is conducted.
- 5. Department meeting are being conducted in a month to monitor the progress of the action plan.

 $6.2\ Does\ the\ Institution\ has\ a\ management\ Information\ System$ 

- Admission of the college is managed by the admission committee.
- The internal exam marks, attendance, library usage and scholarships etc. are maintained by with the help of computer system.
- Staff salary and related matters are operated through E-Pay roll online.

6.3 Quality improvement strategies adopted by the institution for each of the following:

## • Curriculum Development

- Controlled by the University
- Staff members served as Members of the Board of Studies.

## • Teaching and Learning

- Departments prepare their own detailed subject-wise time-table. Individual teachers are assigned work by the Head of the Department.
- Teachers prepare the teaching plan of the topics allotted to each of them.
- The heads of departments and the faculty in charge of various curricular and cocurricular activities furnish a detailed schedule to the office at the beginning of every academic year.
- The College council discusses these programmes and finalizes the College calendar incorporating all such details.
- Copies of academic calendar are made available to the students and staff

#### • Examination and Evaluation

- Details about the pattern/types of questions, number of questions to be answered in each section, weights/marks/credits for each question, etc. are published in the University website.
- All the evaluation reforms of the University are adopted by the college.
- The new CBCSS grading system developed by the university has been fully adopted by the college both at UG and PG levels.
- At the college level two internal examinations are conducted every semester. Additional internal examinations are conducted for selected courses.
- Assignments, seminars, project works, etc. are regularly given to students and their performance is evaluated. These are made part of the internal assessment. Besides, instant quizzes, objective type tests, etc. are also conducted
- 'Meet the Parents Programme' is conducted in every semester to discuss the progress of students.
- Internal evaluation grades/marks of all students are published in the notice board of the department concerned for verification by students before submitting the grades to university.

## Research and Development

• Individual and group projects are given to students and research facilities in the college are extended to them. Project work of each student is guided and supervised personally by teachers.

#### • Library, ICT and physical infrastructure / instrumentation

- We have a full-fledged and spacious library with over 88421 books, 307 journals/periodicals, 27 copies of newspapers
- Total area of the library-1860 sq. metres.
- Green boards are introduced in selected classes.
- Whiteboards and interactive boards are provided in selected classrooms.
- Computers with internet connectivity are made available in selected Laboratories.
- Most of the departments are applying ICT methods in classroom teaching, project work and lab experimentation.
- Seminar halls are available in library building and selected class room.
- Tutorial spaces, modern laboratories with the latest equipment are available for all the science departments.
- All the science departments have received financial assistance from the Government of Tamilnadu for the modernization of the laboratories.
- All departments are provided with adequate number of computers with internet facility. This facility is available for the staff and students.
- There is a Computer Lab ,Language Lab and selected department with 78 PCs for staff and students in the college. Internet use is free for all the students.

## Human Resource Management

Induction programmes have been organised to identify and care for the potential of the staff. Staff members are required to attend training programmes, refresher courses, orientation programmes, conferences and seminars.
Every member of the staff is assigned with the responsibility to coordinate one or more extra/co-curricular programmes.
Faculty members are given proper freedom of operation with regard to academic as well as research activities
The Principal helps identify and care for leadership among faculty by entrusting them with the overall charge of academic and non- academic activities such as NSS, IQAC, Fine Arts Club, RRC, Anti-ragging cell, Grievance Redress Cell, etc.
The Principal plays the key role in planning and mobilization of the human resource of the college.  HODs are entrusted with coordinating activities at department level.
To develop leadership qualities among students, college union elections are held and executive committee is constituted for organizing co-curricular and extra-curricular activities.
Student leaders of subject associations organize various competitions and fests. Leadership training and personality development programmes are organized for students.
Staff meetings and meetings of IQAC, Staff Council, College Union, etc. are conducted regularly.
Usually the administrative and the quality related policies are presented and discussed in the college council before implementation. The college council meetings also serve the purpose of gaining feedback for the management on the various policies.
There is a formal work record of appraisal of the performance and efficiency of teachers and non-teaching staff.

#### • Faculty and Staff recruitment

- All appointments are based on pure merit and Recruited by TRB.
- The college appoints well qualified teachers from different parts of the State.
- Candidates with higher degrees such as Ph.D., NET/SET., etc. are given weightage in appointments.

#### • Industry Interaction / Collaboration

- The collaborations have led to the publication of a good number of research papers in reputed national/international journals.
- The Computer science PG students are doing their project works at Various reputed institute.

#### • Admission of Students

- Students are admitted strictly based on the Govt. /University guidelines and regulations. The reservation policy of the Government, UGC and the University is implemented by the college.
- Accordingly, 31% seats are filled based on open merit, 19% reserved for SC/ST/SCA, 30% seats reserved for BC/BCM and 20% seats reserved for MBC/DNC.

#### 6.4 Welfare schemes for Teaching , Non-teaching and Students.

- Drinking water, rest room, financial assistance for critical diseases, etc. as well as training in the use of computers is also provided to the staff.
- Besides, there is a well-furnished student amenity centre and canteen under the College. Meals and other refreshments, etc are available to staff and students at reasonable rates.

#### The following is a list of welfare facilities for students available in the college:

- Endowments, Freeships and Scholarships
- Career Guidance and Placement Cell
- Organizing coaching classes for competitive exams
- Grievance Redress Cell
- SC/ST Monitoring Cell
- Purified drinking water facilities and water coolers
- English Speaking Corner, English Quest
- Commerce and Management Fest
- Food Fest
- Subject Associations for each department
- Soft skill training and personality development programmes
- Red Ribbon Club.
- Opening Bank account with zero balance

		Water Harvesting: A water harvesting tank with a capacity of 1000 litres is completed.  The college has a well and a pond with pure water for drinking
		Planting of trees will take place every year under the auspices of NSS volunteers

## Criterion - VII

# 7. Innovations and Best Practices

- 7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.
  - Infrastructure development with the support of staff and parents.
     Renovated laboratories with modern equipment.
  - Transformer for uninterrupted power supply.
  - High speed Internet Broadband connection with optical fibres.
- 7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year
  - The plan of action prepared by IQAC was discussed at various levels of administration such as the College Council and Staff Meetings for the effective implementation.
  - Various committees were formed to monitor the progress of implementation of the activities.
  - The Co-ordinators were directed to submit the reports at the end. IQAC regularly met and assessed the progress.
